STRAIGHTFORWARD, RESPONSIVE AND MEASURED

01 **We listen first**
Every partnership starts with your objectives, not our rate card.

02 **We agree it in writing**
A clear agreement setting out rights, term and sector protection.

03 **We activate it properly**
Your brand applied correctly across kit, stream, ground and social, with artwork approved by you.

04 **We keep you involved**
A single point of contact, and advance notice of fixtures, tours and content.

05 **We report back**
An end-of-season report showing where your brand appeared and how many people saw it.
